

1. The Budget-Capped Value Hunter

Psychology: Classic Indian middle-class instinct — "best cheez chahiye, but paisa vasool honi chahiye." Very common for skincare, electronics, appliances.

2. No clear picture customer

Psychology: " Bhaiya, kuch acha de do," like asking a chemist or kirana uncle for a solution, THEY trust the seller's intent over researching themselves.

3. The Occasion Gifter

Psychology: Buys for festivals like Rakhi, Diwali, and weddings
For them, presentation matters more than price.
Emotionally driven decisions.
